Certify

I, as senior personnel on this award, certify that I have completed my annual Disclosure of Financial Interests and Commitments (DFIC) for this year, and it is current as of the time of this submission. I further certify that I have read and understand Caltech's Policy and Procedures for Managing Conflict of Interest Requirements imposed by Federal Sponsors (Caltech's Policies) and have completed all required training in Research Integrity, Responsible Conduct of Research, Conflicts of Interest and Foreign Engagement, as applicable.

I understand that disclosure of financial interests and commitments to Caltech in the DFIC and inclusion of current and pending (other) support as well as my biosketch to federal sponsors ("Combined Disclosures") are required to obtain funding from the U.S. Government.

I certify to the best of my knowledge and belief that the information contained in my Combined Disclosures is current, complete, and accurate. I further certify that the information submitted within this proposal/application is current, complete, and accurate to the best of my knowledge.

I understand that Parties to a Malign Foreign Talent Recruitment Programs (MFRTP) are not eligible to serve as senior or key personnel on a proposal, award or contract funded by NSF, DoD (including DARPA), and DOE. I certify that I am not currently, nor do I plan to be a party to a MFRTP and I agree to disclose any potential foreign financial interests, activities, or commitments to Caltech, prior to engaging in such activities, to ensure that I do not enter into a MFRTP.

I understand that any false, fictitious, or fraudulent information, misrepresentations, half-truths, or omissions of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims, or otherwise. (18 U.S.C. §§ 1001 and 287, and 31 U.S.C. 3729-3730 and 3801-3812). I further understand and agree that (1) the statements and representations made herein are material to U.S. Government's funding decision, and (2) I have a responsibility to update the Combined Disclosures during the period of performance of the award should circumstances change which impact the responses provided above.

I understand my obligations as senior personnel on this proposal and agree to accept responsibility for the programmatic conduct of the project, to meet the reporting requirements if an award is made as a result of the application, and to otherwise abide by my obligations under the relevant award, including those relating to confidential information.

6. Add any comments or attachments, if needed, and click OK to certify the proposal.
